The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

SEWER SERVICE CHARGE ANNUAL REPORT FOR THE CONSOLIDATED SEWER MAINTENANCE DISTRICT AND THE MARINA SEWER MAINTENANCE DISTRICT (ALL SUPERVISORIAL DISTRICTS) (4 VOTES)

SUBJECT

This action is to adopt the Sewer Service Charge Annual Report for Fiscal Year 2010-11 to allow the Consolidated Sewer Maintenance District and the Marina Sewer Maintenance District to continue the collection of annual sewer service charges with the annual property taxes for Fiscal Year 2010-11 and to include the City of Bellflower in the Accumulative Capital Outlay Fund program of the Consolidated Sewer Maintenance District.

IT IS RECOMMENDED, AT THE CLOSE OF THE PUBLIC HEARING, THAT YOUR BOARD ACTING AS THE GOVERNING BODY OF THE CONSOLIDATED SEWER MAINTENANCE DISTRICT AND THE MARINA SEWER MAINTENANCE DISTRICT:

1. Consider all objections or protests against the proposed Sewer Service Charge Annual Report for Fiscal Year 2010-11, for the Consolidated Sewer Maintenance District and the Marina Sewer Maintenance District and/or the inclusion of the City of Bellflower to the Accumulative Capital Outlay Fund program of the Consolidated Sewer Maintenance District beginning in Fiscal Year 2010-11.

2. To the extent that no majority protest against the Sewer Service Charge Annual Report for Fiscal Year 2010-11 and/or the proposed inclusion of the City of Bellflower to the Accumulative Capital Outlay Fund program exists:
 - a. Find that the adoption of the proposed ordinance amending the County Code, Title 20, Utilities, and that adoption of the Sewer Service Charge Annual Report will allow the collection of sewer service charges with annual property taxes to fund operating expenses and capital projects to maintain services in existing service areas and that they are, therefore, exempt from the California Environmental Quality Act pursuant to the Public Resources Code, Section 21080(b)(8) and Section 15273 of the California Environmental Quality Act Guidelines.
 - b. Adopt the Sewer Service Charge Annual Report for Fiscal Year 2010-11 for the Consolidated Sewer Maintenance District and the Marina Sewer Maintenance District.
 - c. Approve the proposed inclusion of the City of Bellflower in the Accumulative Capital Outlay Fund program of the Consolidated Sewer Maintenance District.
 - d. Adopt the proposed ordinance amending the County Code, Title 20, Utilities to: (1) impose the Additional Annual Sewer Service Charge for the Consolidated Sewer Maintenance District of \$8 per sewage unit on parcels within the City of Bellflower beginning in Fiscal Year 2010-11; (2) reduce the Additional Annual Zone Sewer Service Charge for the Trancas Zone of the Consolidated Sewer Maintenance District by \$207, from \$3,368 to \$3,161, in Fiscal Year 2010-11.
 - e. Upon its adoption, instruct the Executive Officer of the Board of Supervisors to file with the Auditor-Controller before August 10, 2010, a copy of the Sewer Service Charge Annual Report for Fiscal Year 2010-11 with a signed statement by the Executive Officer of the Board of Supervisors that it has been adopted by the Board of Supervisors.

- f. Instruct the Auditor-Controller, upon receipt of the copy of the adopted Sewer Service Charge Annual Report for Fiscal Year 2010-11 from the Executive Officer of the Board of Supervisors, to enter the amounts of the charges against the respective lots or parcels of land as they appear on the current assessment roll.
3. If a majority written protest against the proposed Sewer Service Charge Annual Report for Fiscal Year 2010-11 for any of the Districts or zones exists, adopt, revise, change, reduce, or modify any charge or overrule any or all objections or, alternatively, refer the item back to the Department of Public Works, and the sewer service charges for the district or zone shall be collected separately from the annual property taxes and shall not constitute a lien against any parcel or parcels of land.
4. If a majority written protest against the inclusion of the City of Bellflower to the Accumulative Capital Outlay Fund program of the Consolidated Sewer Maintenance District exists, then the portion of the proposed ordinance imposing the Additional Annual Sewer Service Charge for the Consolidated Sewer Maintenance District of \$8 per sewage unit on parcels within the City of Bellflower and including the City of Bellflower within the Accumulative Capital Outlay Fund program beginning in Fiscal Year 2010-11, shall be referred back to the Department of Public Works.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to allow the Consolidated Sewer Maintenance District (CSMD) and the Marina Sewer Maintenance District (Marina SMD), collectively referred to as "Districts," to file the Sewer Service Charge Annual Report for Fiscal Year 2010-11 (Enclosure A) to allow them to cost effectively collect their annual sewer service charges with the annual property taxes for Fiscal Year 2010-11 for the continued operation of their various programs.

In addition, the City of Bellflower (City), by City Council Resolution (Enclosure A), has requested that the City be included in the Accumulative Capital Outlay Fund (ACO) program. The ACO Fund was established by the Board of Supervisors (Board) on July 14, 1987, for the rehabilitation, repair, and replacement of deteriorated sewer pipes throughout the CSMD. The City at the time opted not to join the ACO program. The City instead utilized its resources to rehabilitate, repair, and replace damaged sewer pipes as needed. The City now believes that participation in the ACO program presents the most efficient and cost-effective means of meeting its ongoing sanitary sewer

system upkeep responsibilities pursuant to State laws. By participating in the ACO program, funds generated for the ACO Fund will be used for sewer rehabilitation, repair, and replacement projects within the City.

The Annual Sewer Service Charge for the Districts, ACO Fund, and all zones of the CSMD, except the Trancas Zone, will remain at their Fiscal Year 2009-10 levels. The sewer service charge rate for the Trancas Zone will reduce by \$207 per sewage unit, from \$3,368 to \$3,161, in Fiscal Year 2010-11, due to the elimination of a loan payment for a \$410,000 loan to the zone for the Trancas Water Pollution Control Plant rehabilitation, which terminates in Fiscal Year 2009-10.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Operational Effectiveness (Goal 1) and Community and Municipal Services (Goal 3). Collection of the sewer service charge to generate sufficient funds for the continued operation and maintenance of the public sewer infrastructure in a safe, effective, and environmentally sound manner, thus protecting public health and the environment and improving quality of life in the County of Los Angeles (County), will support the Department of Public Works in meeting these goals.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund. The inclusion of the City in the ACO program would generate an additional \$200,000 in sewer service charge revenue for the ACO Fund (Fund J14) in Fiscal Year 2010-11. The \$207 per sewage unit reduction in the Trancas Zone (GC4) will have no fiscal impact because the loan for which the assessment was imposed to repay has been completely paid off. The collection of the sewer service charges with annual property taxes is a cost-effective means for generating sufficient revenue to finance the operational and maintenance costs of the Districts, ACO Fund, and the nine zones of the CSMD in Fiscal Year 2010-11.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

These recommended actions are required to establish sewer service charge rates for the various funds of the CSMD and the Marina SMD and allow the collection of these charges with the annual property taxes in Fiscal Year 2010-11.

Pursuant to Section 5473 of the Health and Safety Code, the Districts are required to prepare and file with the Executive Officer of the Board a written report (Sewer Service Charge Annual Report) containing a description of each parcel receiving services and

The Honorable Board of Supervisors
May 25, 2010
Page 5

facilities and the amount of charge for each parcel for the subsequent year. Enclosed is a copy of the Sewer Maintenance – Tax Rate Area Report (Enclosure B), which identifies the tax rate areas within both Districts and the nine zones of the CSMD.

Section 5473.1 of the Health and Safety Code requires that the notice of filing of the Sewer Service Charge Annual Report and of a time and place of hearing thereon be published once a week for two successive weeks in a newspaper of general circulation pursuant to Section 6066 of the Government Code. The Notice of Public Hearing is enclosed (Enclosure C).

Section 5473.2 of the Health and Safety Code requires that your Board consider all objections or protests, if any, to the Sewer Service Charge Annual Report. In the event of protest by owners of a majority of separate parcels of property, the Sewer Service Charge Annual Report for Fiscal Year 2010-11 shall not be adopted, and the charges shall be collected separately from the tax roll and shall not constitute a lien against any parcel or parcels of land.

Section 5473.3 of the Health and Safety Code provides that upon the conclusion of the hearing, your Board may adopt, revise, change, reduce, or modify any charge or overrule all objections and make a determination upon each charge as described in the report, which determination shall be final.

Section 5473.4 of the Health and Safety Code requires that on or before the tenth day of August of each year, the Executive Officer of the Board must file with the Auditor-Controller the Sewer Service Charge Annual Report with a signed statement by the Executive Officer of the Board that it has been adopted by your Board. Upon receipt of the copy of the Sewer Service Charge Annual Report from the Executive Officer of the Board, the Auditor-Controller must enter the amounts of the charges against the respective lots or parcels of land as they appear on the current assessment roll.

The California Constitution, Article XIID, Section 6(a), requires that owners of parcels subject to increased or new sewer service charges be notified by mail no later than 45 days before the public hearing of the amount of charges and method of determination, date, time, and location of the hearing. In the event a weighted majority of property owners protest an increased charge within any district or zone, such charges may not be imposed.

The enclosed ordinances (Enclosure D) and Notice of Public Hearing relating to this matter have been reviewed and approved as to form by County Counsel.

The Honorable Board of Supervisors
May 25, 2010
Page 6

ENVIRONMENTAL DOCUMENTATION

The adoption of the Sewer Service Charge Annual Report for Fiscal Year 2010-11 to allow the continued collection of sewer service charges with property taxes constitutes approval of the charge for the purpose of meeting operating expenses and capital projects to maintain services in existing service areas are exempt from the California Environmental Quality Act pursuant to the Public Resources Code, Section 21080 (b)(8).

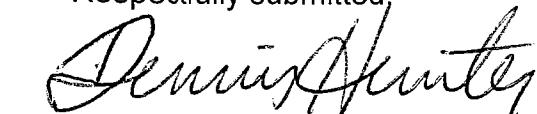

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The recommended actions will have no negative impact on current County services.

CONCLUSION

Please return two adopted copies of this letter, the ordinance, and the Sewer Service Charge Annual Report for Fiscal Year 2010-11 to the Department of Public Works, Sewer Maintenance Division.

Respectfully submitted,

for GAIL FARBER
Director of Public Works

COUNTY OF LOS ANGELES
DEPARTMENT OF PUBLIC WORKS
SEWER SERVICE CHARGE ANNUAL REPORT
FISCAL YEAR 2010-11
THE CONSOLIDATED SEWER MAINTENANCE DISTRICT AND
THE MARINA SEWER MAINTENANCE DISTRICT

INTRODUCTION

The County of Los Angeles Sewer Maintenance Districts are made up of the Consolidated Sewer Maintenance District and the Marina Sewer Maintenance District (Districts). Together, the Districts' system serves greater than half a million parcels and a population of approximately 2.5 million people within the unincorporated areas of the County, 37 cities, 2 contract cities, and 9 tax zones. The system includes over 4,600 miles of sanitary sewers, 154 pump stations, and 4 water pollution control plants.

It is essential that operation and maintenance of these sewage collection and treatment systems be continued without interruption to protect public health and safety. Necessary funding must be available to pay the costs of repairing and cleaning sewers, operating pumping stations and water pollution control plants, and to provide ongoing preventive maintenance of the systems.

In July 1978, your Board adopted Ordinances to collect the necessary funding for the Sewer Maintenance Districts, including the zones within the Consolidated Sewer Maintenance District, on the tax roll as a sewer service charge.

CONSOLIDATED SEWER MAINTENANCE DISTRICT

The existing Annual Sewer Service Charge for the Consolidated Sewer Maintenance District (CSMD) are established in Los Angeles County Code, Volume 5, Title 20, Division 3, Chapter 20.40, as amended. The Annual Sewer Service Charge levied upon each parcel of real property within the CSMD is computed by multiplying the basic annual sewage unit charge by the number of sewage units represented by the current land use, as shown in Table A of the Ordinance.

The current Fiscal Year 2009-10 basic annual sewage unit charge for each sewage unit is currently \$32.50 and will remain the same for Fiscal Year 2010-11. Multiple residential, certain commercial and industrial properties are assessed higher amounts based on their Assessor Use Codes.

There is also an additional \$8 per sewage unit annual charge to fund the Accumulative Capital Outlay Fund, which was first established in 1987. This charge allows the CSMD to accumulate funds to pay for pipe replacement, relief sewers, major improvements to sewage pumping stations that may become necessary, and conduct the Condition Assessment Program.

SPECIAL ZONES

In addition to the above assessments, there are certain areas established as zones within the CSMD that are charged additional fees. These zone fees fund special services and/or facilities required by the zone in addition to those provided generally throughout the CSMD. There are currently nine zones within the CSMD; however, the majority of the CSMD's territory is not included within the zones.

The proposed sewer service charges for each zone for Fiscal Year 2010-11 are the same as Fiscal Year 2009-10, except for Trancas Zone (shown in bold):

	CURRENT 2008-09	PROPOSED 2010-11
Aneta Zone	\$10/sewage unit	\$10/sewage unit
Brassie Lane Zone	\$15.86/sewage unit	\$15.86/sewage unit
Foxpark Drive Zone	\$22.10/sewage unit (improved parcel only)	\$22.10/sewage unit (improved parcel only)
Lake Hughes Zone	\$773/sewage unit (improved parcel only)	\$773/sewage unit (improved parcel only)
Malibu Zone	\$2,477 (improved parcel only)	\$2,477 (improved parcel only)
Malibu Mesa Zone	\$978/sewage unit (improved parcel only)	\$978/sewage unit (improved parcel only)
Summit Road Zone	\$15.26/sewage unit	\$15.26/sewage unit
Topanga Zone	\$650/sewage unit	\$650/sewage unit
Trancas Zone	\$3,368/sewage unit (improved parcel only)	\$3,161 /sewage unit (improved parcel only) (Termination of loan payment end Fiscal Year 2009-10)

See pages 6 and 7 for descriptions of Districts and Zone functions.

MARINA SEWER MAINTENANCE DISTRICT

The existing sewer service charge for the Marina Sewer Maintenance District (Marina SMD) is established in the Los Angeles County Code, Volume 5, Title 20, Division 3, Chapter 20.44. Under the provisions of this Ordinance, the Annual Sewer Service Charge levied upon each possessory interest within the Marina SMD is computed by multiplying the amount of the sewage unit charge by the number of sewage units for the current land use as shown in Table A of the Ordinance. The basic annual sewage unit charge for each sewage unit is currently \$190, and will remain the same for Fiscal Year 2010-11.

IDENTIFICATION OF PARCELS TO BE CHARGED

All parcels of real property within the 2010-11 Tax Rate Areas listed in pages 8 through 15, and more particularly described in maps prepared in accordance with Section 327, Revenue and Taxation Code, and on file in the County of Los Angeles Assessor's Office, will be charged the appropriate sewer service charge.

SEWER MAINTENANCE DISTRICTS AND ZONES

<u>DISTRICT OR ZONE</u>	<u>SUPERVISORIAL DISTRICT</u>	<u>FUNCTION</u>
Consolidated Sewer Maintenance District	1,2,3,4,5	Operate and maintain complete sewer system; encompasses 99 percent of total system.
Aneta Zone	2	Pay disposal costs to the City of Los Angeles.
Brassie Lane Zone	5	Pay sewage conveyance costs to the City of La Verne.
Foxpark Drive Zone	1	Pay sewage conveyance costs to the City of Pomona.
Lake Hughes Zone	5	Provide funds for the operation, maintenance, and rehabilitation of the water pollution control plant.
Malibu Zone	3	Provide funds for the operation, maintenance, and rehabilitation of the water pollution control plant.
Malibu Mesa Zone	3	Provide funds for the operation, maintenance, and rehabilitation of the water pollution control plant.
Summit Road Zone	5	Pay sewage conveyance costs to the City of La Verne.
Topanga Zone	3	Pay disposal costs to Las Virgenes Municipal Water District.

Trancas Zone	3	Provide funds for the operation, maintenance, and rehabilitation of the water pollution control plant.
Accumulative Capital Outlay	1,2,3,4,5	Provide for necessary pipe replacement, relief sewers and major improvements to sewage pump stations, and to conduct the Condition Assessment Program.
Marina Sewer Maintenance District	4	Operate and maintain complete sewer system. Has contractual obligation with the City of Los Angeles to pay for disposal of sewage generated within the Marina del Rey complex.
